For the best results:

- Ensure that the file is high resolution
- We recommend files be a mininum of 300 DPI for a 4x6 photo
- Smaller photos should be scanned in at 600-1200 DPI or greater
- Save files at maxium print/resolution settings for JPG/PDF
- NOTE: Social Media or website images are typically very low resolution
- Please name file with honoree's name (not Papa's Pic, scan1, etc.
- If the photo isn't ready, you can submit now the form and send the photo later.
